Contact Person: David Rowell

Description of Services: Computer repair in your home or at our office (pickup and return service available). Certified technician with 15 years of experience. Typically devices are returned by the next business day. Services offered: Malware removal and PC optimization; complete system recovery; hard drive replacement; laptop screen replacement; data recovery; network services.

Customer Comments: Professional, on time, repaired our desktop computer quickly and it runs even better than when we bought it! Also fixed our very old laptop, which we thought was "junk". David is the owner, he came to our home, desktop was fixed on-site and we had our laptop back in two business days. The pickup and return service is so convenient! 100% recommend this company!
