General Meeting     January 13, 2026

Friendship Park   73 Lake View Drive East   Ocala, FL   34482

Present: President Gena De Camella, Vice President Mark Cooper, Secretary Karen Reade,

Treasurer Merry Lee Bain

- I.        President DeCamella called the meeting to order at 7:00 p.m.  
  
          Finding no new members, she lead the Pledge of Allegiance.
- II.       The Minutes from the November General meeting were approved as posted on the website.
- III.      President's Report: President DeCamella reported that one of our committee chairpersons has been scammed. Using specific information, many Board and Committee members were approached to send money. President DeCamella urged the members to call to verify any requests, because the Association does not request monetary assistance. The email promised that the Association would reimburse the giver, but that is not going to happen. The Board has discussed efforts to protect our members from scams, including posting messages in the newsletter, and limiting exposure of our private contact information. This will involve changing contact information to MWFPOA email addresses. She also discussed changing the amount of information on the website that is public. She asked members to research the website and bring suggestions to the next General Meeting on how we can contain this threat.

As follow up to previous business, President DeCamella reported that she received several quotes to remove six trees at the park. The price that was the best included falling, haulage, and stump grinding. A motion was made to accept the bid of \$3500.00, was seconded, and passed. She was asked about timing, and they are expected to be available next week.

President DeCamella reported that there are two positions available on the Board at the next election in May. Karen Reade is stepping down as Secretary, and Gena DeCamella is stepping down as President. The description and expectations for potential candidates are listed in the Resident Handbook, and in the By-Laws on the website.

She turned the meeting over to Treasurer Bain, who brought up the issue that (under Article I, Section 1, Paragraph 4) new members who pay between January 1 and May 31 only pay half price. She is recommending that we curtail that practice. Discussion followed. A motion was made that the Association no longer breaks down dues, and that the same dues are for the whole year (June 1 to May 31) regardless of when the new member joins. Since it is a By-Law issue, it cannot be voted on tonight.

President DeCamella continued that the motion needs to be posted in the February newsletter and it will be brought up for a vote at the March General Association meeting.

Michele Shuler made a motion that we allow proxy votes. This would require deleting Article I, Section 1, Paragraph 6 from the By-Laws. She suggested that it would require more planning and organization for voting. This was tabled until the next meeting to better prepare a motion.
